

## GROWTH PORTFOLIO

30<sup>th</sup> JUNE 2020

## OBJECTIVE

This active Focus portfolio has a lower minimum investment and carries a lower cost than our Premier portfolios, investing in just the core holdings from our Premier Growth portfolio. It comprises of investment vehicles including unit trusts, mutual funds and exchange traded funds (ETFs), whose managers aim to outperform their respective markets. Asset classes you could find in this portfolio are government bonds, corporate bonds, alternatives and cash. Absolute return, property and commodities may all feature within the alternatives classification.

Focus Growth seeks to generate higher capital growth over the medium to long-term by employing a more dynamic investment strategy. The portfolio will have a higher exposure to equities compared to Focus Balanced - typically comprising of 70% equity and 30% non-equity - though weightings may deviate within set parameters, allowing managers to react to market conditions.
