

LIQUIDITY PLUS GBP PORTFOLIO

30 SEPTEMBER 2021

OBJECTIVE

Premier Liquidity Plus is the lowest risk offering TAM provides, aiming to generate a return slightly above cash while maintaining low volatility and high level of liquidity. The managers will invest solely in non-equity investments including money market funds, which are comprised of cash equivalents, though will also allocate to a lesser extent to high quality short duration fixed interest and alternatives, including absolute return funds. The portfolio is ideal for those wanting to access their money at shorter notice, but who also want to maintain a defensive structure to their investments to help ensure volatility is minimised.
