CLIENT DECLARATION

You acknowledge that:

- You have undertaken a suitability assessment, together with your Financial Adviser, and that TAM can solely rely on the new risk profile instructed by you as an accurate representation of your investment objectives.
- You understand that switching portfolios will result in a change in composition of the portfolio. As such, this may require (some) holdings to be sold and new investments to be purchased. Whilst there will be no trading commissions on the purchases, switching portfolios will incur trading commissions for the sales undertaken and may incur additional adviser charges.
