CLIENT DECLARATION

You acknowledge that:

1. If there is insufficient liquidity within your portfolio to accommodate your request, we will need to sell assets held therein, as a result of which your portfolio may not be aligned to our latest asset allocation model for some time. A realignment to the latest allocation, which may entail both purchases and sales of assets, will be required.
2. You understand and accept all costs associated with processing this request including, but not limited to, dealing fees, foreign exchange conversions costs and banking charges.
3. We will attempt to process your request as soon as possible depending on the current asset allocation and liquidity of your portfolio subject to us accepting this request.
4. The amount you receive may be less than the current portfolio valuation due to market movements.
5. TAM will not be held liable for any delay in accepting, processing or completing this request.
