

You Give We Give (YGWG) is a unique initiative offered exclusively to clients of TAM Asset Management (TAM). It provides General Investment Account (GIA) and Individual Savings Account (ISA) investors with the opportunity to donate up to 20% of their annual portfolio gain to a charity of their choice, and TAM will match that donation with an equal percentage from our annual fee. Financial advisers can also support their clients' chosen charities by donating an equal percentage of their annual adviser fee.

HOW IT WORKS

You Give

You decide what percentage of your annual portfolio gain to donate when opening your account.

We Give

TAM will donate the same percentage from our annual fee, and your financial adviser may also choose to donate an equal percentage from their annual fee.

To Charity

Your chosen charity will receive your donation and TAM's donation, plus possibly more from your financial adviser and HMRC Gift Aid.

HOW IT HELPS

Clients participating in the initiative have raised over £200,000 to support a wide variety of charities with the outstanding work that they do for their beneficiaries.

THE BENEFITS

Choice

You can choose any UK registered charity to receive a donation.

Partnership

Increased donations through shared support from TAM and possibly more from your financial adviser.

Gift Aid

If you are happy for your details to be provided, Gift Aid registered charities can increase your donation by 25%.

Simplicity

A clear and convenient application and donation process.

Flexibility

At any time, you can change your charity of choice, the percentage you give or opt out completely.

Transparency

You will receive a letter each year outlining the donation and confirming the payment to the charity. With your prior approval, when the donation is made to the charity they will also be provided with the details needed to claim Gift Aid.

AN EXAMPLE*

You choose to give 20% of your annual portfolio gain to your local hospice:

Portfolio value 1 st January	£100,000
Portfolio value 31 st December	£105,000
Annual Gain (Net)	£5,000

Your local hospice will therefore receive:

Your £1,000 donation	(20% of £5,000 annual gain)
TAM's £84 donation	(20% of 0.4% annual fee)
Your adviser's £210 donation (If they participate)	(20% of 1.0% annual fee)

If in any year you do not make a profit, you will not make a donation. However, TAM, and possibly your financial adviser, will still donate to your chosen charity, providing them with a long-term sustainable income stream.
