

BALANCED PORTFOLIO

tampremier

31ST MARCH 2019

OBJECTIVE

This active Premier portfolio comprises of a wide range of diversified investment vehicles including unit trusts, mutual funds and exchange traded funds (ETFs), whose managers aim to outperform their respective markets. Asset classes you could find in this portfolio are government bonds, corporate bonds, alternatives and cash. Absolute return, property and commodities may all feature within the alternatives classification.

Premier Balanced seeks to generate capital growth over the medium to longer term, with the aim of riding out short-term fluctuations in value. The portfolio will have a more balanced approach to equity exposure compared to Premier Growth - typically comprising of 50% equity and 50% non-equity - though weightings may deviate within set parameters, allowing managers to react to market conditions.
